

Collection Return Form

1. Please complete the information below for EACH COLLECTION BOX you send.
2. Place a completed form INSIDE EACH BOX with cell phones, printer cartridges, or IT equipment, safely pack the contents, and securely seal the box.
3. Ship your boxes to CC Cash at the address (at right) or drop off your boxes at your local UPS Store, or call CC Cash at 866 416-9319. DO NOT call UPS for a pick-up — they will charge a \$10 pick-up fee that cannot be waived by CC Cash and will, therefore, have to be deducted from your donation.

CC Cash will sort, inspect and classify each shipment, then issue a check to your organization no later than

30 business days after your collection is inspected. CC Cash will pay your organization the value of your items based on the CC Cash buy-back price list ON THE DAY your items are received at the CC Cash Recycling Center.

Ship to: CC Cash

This can include a combination of ANY of the items on our buy-back lists. As long as your shipment adds up to 20 items or more, you're good!*
